

Safeguarding Citizen Aid

Many people across the country have prepared themselves to know what to do when someone collapses with a heart attack. But being able to act effectively after serious injury from a bomb blast, weapon attack or road accident needs a different set of skills and knowledge. Acting quickly in these situations, particularly to stop bleeding, will save lives.

The Citizen Aid Pocket Guide and App is a clear and simple series of immediate actions, which helps you be the person to provide information to the emergency services, to help organise others at the scene and to give life-saving care while waiting for the professionals to arrive.

Download the App or visit the Citizen Aid website <http://citizenaid.org/> for more information

Safeguarding Operation 'Limelight'

This week, sees the start of Operation 'Limelight'.

Limelight is run by Birmingham Police Force, who will be patrolling the Birmingham airport and raising awareness regarding FGM. They will also be taking action against anyone trying to leave the country to carry out this procedure.

FGM is illegal!

Taking a woman or girl out of the country for FGM is illegal!

Community Open Day Friday 7th July

9am - 12pm/1pm - 3pm

School will be closed between 12pm and 1pm for Lunch

Tomorrow, Friday 7th July we will be holding our Community Open Day.

You will have the chance to come and see your children's class teachers, engage with the pastoral team, access support and services, and collect your child's yearly report.

This is a fabulous opportunity to look through the amazing work children have completed and the improvement and progress they have made, as well as talking about transition into the new school year.

There will be family sporting activities taking place outside.
From Zumba to sports challenges. It's not to be missed!

Support and Advise Services that will be attending

King Edwards School

Nechells P.O.D

King Solomon School

Young Councillors Service

Complete Kids Sport Club

Officer L. Dearn
Nechells Police

School Nurse

Birmingham and Solihull Women's Aid

Bloomsbury Children's Centre

Parent Only Healthy Cooking Sessions 11:30am - 12pm and 2:30pm - 3pm

Parent Only Internet Safety Sessions 10:30am - 11:30am and 1:30pm - 2:30pm

The sessions will look at ways you can engage with your child/ren in conversations about their internet activities as well as why they need to keep themselves safe online.

The morning session will be supported by the SKIPS Team and Birmingham City Council

Welcome to this week's jam-packed newsletter. This is going to be a short and sweet message from me as there is very little free space.

I hope you enjoy all of the photos from the last week and are looking forward to the end of term which is fast approaching.

Please make sure to visit our school blog as more can be seen from each class. Don't miss the write up from Mrs Harris about the Year 6 leavers service they attended on Monday. It was just another reminder that their time at St. Clement's is drawing to a close and I'm sure I speak for all when I say we will miss them.

All the best for the weekend
Miss Greene

Tuesday 18th July is going to be a Non Uniform day with a difference.

We are asking for donations of chocolate instead of money.

Please make sure all donations are nut free and vegetarian friendly.

Donations needed.... The Summer Fayre is fast approaching and we need donations for our Raffle/Bric a Brac stalls. We would appreciate donations of the following items: Toys, books, clothes and toiletries in good clean condition.

Stay and Play has now finished and will restart in September. Thank You to all the families that have supported these sessions. See you in the Autumn term.

Month/Wk	Date	Activity
July	Mon 10th - Fri 14th Creativity Week	
	Tues 11th	Selected Pupils - Sports at Tipton Sports Academy
	Fri 14th	Class Swaps/Transition Day
		Nursery & Reception Open Day
		Year 5 Class Assembly
	Mon 17th	Whole School Awards Assembly
7	Tues 18th	Non Uniform Day - Pay in Chocolate!
	Wed 19th	Summer Fayre
	Thurs 20th	Year 6 Leavers Performance - 09:15am
	Friday 21st End of Term	

Year 6 Leavers Church Service

On Monday 3rd July Year 6 took part in a leaver's service at St Martin in the Bull Ring church. The children took part in the service with lots of other Year 6 children from schools within the Birmingham borough. The service was led by the Bishop of Aston and the Big Assembly Singers and we provided a prayer and a poster showing 'life in all its fullness'.

After this celebration we visited M^cDonald's as a treat for lunch. Overall we all had a great day out.

Mrs Harris – Year 6 Class Teacher

Star Pupils

Mohammed Ibrahim and Amirah Montgomery

Arinze Nweke and Sulaiman Islam

Shaimaa Sharif and Kaeb Ul-Haq

Ramesah Akhter and Jayden Margetts

Courtney Anderson and Kiana Forde

Muhammad Tahah Shahbaz and Philipos Samuel

Mim Akhter and Cleo Russell

Musab Ibrahim (Rec) and Jayine Bennett (Y6)

Head Teacher: Des Ricketts

Deputy Head Teacher: Devina Shryane

Assistant Head Teacher: Jane Nizamis

Sports Day

Last week was our annual sports day at Sutton Athletics track luckily the weather held off and everyone had a fantastic day. Firstly a big thank you to all the parents for coming and supporting our children at Sports Day.

We had everyone taking part in lots of running, throwing and jumping trying to earn points for their house to win the house shield which will be presented at the end of the year as well as enjoying some sporting activities in the sun.

Classes from Reception up to Year 6 took part and it was great to see everyone cheering each other on.

Mr Burton
Sports Coordinator

Year 3 get a little wet investigating their new topic....

As the start of our new topic 'Flow', Year 3 visited Beacon Park, Lichfield. We had a great day with Ruth the Ranger observing, sampling and measuring Lemonsley Brook. After meeting Ruth, we split into three groups and started our activities. Those of us with Wellies on were allowed into the brook to help Miss Groom measure the width and depth of the brook. We then had to measure the temperature of the water and the last part was the most fun. To measure how fast the brook was flowing we played the traditional game of Pooh Sticks with dog biscuits because they float and are also kind to the environment. Those without wellies timed them to see how fast the dog biscuits took to travel down river. We also measured how clean the water was, as this would tell us how well the plants would grow. The more circles we could see at the bottom of the container, the cleaner the water was.

Next, we went pond dipping with Ruth to take samples of the different creatures living in the brook. We managed to catch and observe a few creatures. Basil even caught a fish! This proves how clean the water is in Lemonsley Brook. We dragged a net in the water and then emptied our nets into a tray, we then used an identification chart to help us identify the things we had caught. It was great fun and really interesting to see what lives below the surface of the water.

Miss Akers and her group looked at the trees along the river bank and identified them from our key. There were eight different trees alongside the river. Why not ask Year 3 to see if they can name them? We then observed the layout of the river and made a sketch of it.

A great day was had by all.

Miss Groom, Miss McLeod and Miss Akers.

"We learnt how to cross the road safely." - Danial, Reception

Road Safety

On Monday we were very lucky to take part in Road Safety Awareness workshops. Most classes had a session in the hall learning about the green cross code, being safe on bikes and scooters and wearing seat belts to keep us safe in cars. The children really enjoyed learning about road safety including crossing the road safely and enjoyed discussing their own experiences and ideas.

"You have to wear your seat belt and always sit in the back when you are little." - Amira, Reception
