Learning for Life, Anchored in Christ

Hello Everyone,

My name is Mrs Akhtar and I am a Teaching Assistant in Year 3. I have worked at St. Clement's for many years now and I am still amazed by the beautiful smiles that greet me in the mornings.

Thank you for sending money into school, with your child for wearing spotty clothes. They all looked amazing and I am sure we have raised lots of money for Children In Need.

We are halfway through November and the weather is getting colder and at times wet. Can you please make sure children have warm clothing to wear outside during lunchtimes and play times. Please also make sure to write their names inside clothing to stop them from going into lost property.

Wrap up warm and have a lovely weekend.

Mrs Akhtar, Teaching Assistant

Break/Lunch Treats - FRIDAYS ONLY

Please can we remind all parents and carers that a break or lunch treat is only allowed on a Friday. You should only send in 1 small treat per child.

Extra treats will be taken away and returned at the end of the day.

Well Done Ryan!

Last week the children took part in 'Anti-Bullying Week' Ryan really enjoyed learning about types of bullying and produced some fantastic work throughout the week. Here is a piece of his work that was completed at independently at home.

Cyber bullying-This means that People bully People online.
 Racial bullying-This means that People bully because they are a different colour.
 Homophobic bullying-This means People bully others for liking the same gender.
 Direct bullying-This means you bully People face to face.
 Indirect bullying-This means you spread rumours about People.
 Emotional bullying-This means you hurt Peoples feelings every day.
 Harassment-If People do not say you can touch them then do not touch them.

By Ryan

Safeguarding Road Safety THINK!

At school we teach your child about road safety, but as a parent or carer you also play a big part in helping your child to learn how to stay safe. Children will copy adults' behaviour, so if they see you taking risks they will probably take risks too.

One of the best ways that you can help your child to stay safe is to set a good example when using roads, on foot, cycling and in the car. Also remember - Be Bright Be Seen! Wearing light clothing on these dark nights will help you to be seen by others.

On Thursday 15th November, the whole school watched a theatrical performance introduced by Western Power Distribution about electrical safety.

WESTERN POWER DISTRIBUTION

Serving the Midlands, South West and Wales

During the assembly, the children were taken on a journey by two puppets. They had to make important decisions such as, whether to enter a building to get a ball even though it had electrical hazards and warning signs to stay out.

Throughout the performance, the pupils learnt how to stay safe when using electrical equipment and what number to call if they witnessed people damaging street furniture such as lamp posts, traffic lights and electrical boxes.

Remember the number - 105 STAY ALIVE!

Mussie D. and M. Rahat

On Friday 16th November, Year 4 had an Anglo-Saxon drama workshop. We acted out different events that happened during the Anglo-Saxon period in history. We learnt some new historical vocabulary such as invaders, settlers and raiders. Also we learnt the names of some Anglo-Saxon God and Goddess. Did you know that the Anglo-Saxon's believed in more than one god?

Our special visitor used the Anglo-Saxon alphabet to predict Mahamed's and Humayra's future just like they did during the Anglo-Saxon times.

At the end of our workshop, we acted out the famous story Beowulf, who was played by Isaiah with Ubaidullah playing the role of the evil monster Grendel.

Miss Hughes - Year 4 Class Teacher
