Serving the local community in the name of Christ since 1859

12th May 2017

Due to a day of sports on Friday next week for Year 1-6, the newsletter will go out on Thursday instead.

Welcome to this week's newsletter, and what a busy week we have had. School has been a hive of activity with SATs, more of that from Mrs Harris, and other things going on. With the sun shining it has turned our attention to growing.

Lots of our topics in school involve planting and growing and now is the ideal time to begin sowing things. You don't need a large space to grow things, you don't even need an outdoor space! Most herbs can be grown in window boxes inside as well as small fruit and vegetables such as radishes, onions, lettuces and alpine strawberries.

Nursesey have just harvested their first crop of radishes and all who tasted them agreed they were very tasty indeed. We will be creating a community garden at James Housing where we will be helping them to grow fruit and vegetables in their vegetable patch.

If you would like to start growing your own fruit or vegetables and have any questions please come and speak to me.

Lost Property

The lost property pile is getting out of control!

Please can you make sure to name all your children's clothes and if they lose something to check the lost property pile

Thank you

Please note that next week's Celebration Assembly will take place on **TUESDAY 16th May**

A huge well done to all of Year 6 on their SATs testing this week. I am very proud of the way you tackled these tests showing determination and confidence. I know everybody put 100% into them and I'm sure your hard work will pay off.

Have a relaxing weekend and see you all Monday

St. Clement's Stay & Play Wednesday's 9am-10am

This week, we had our first St Clement's Stay and Play session. It was great to see so many parents and children joining in the fun. The children were very excited to explore all the equipment and play with their new friends. The session also gave parents the chance to talk to other adults regarding development, health, any other issues or concerns and not forgetting a good old 'natter'. We finished the session with a singing circle time, where children, together with their parent, sang along to some nursery rhyme favourites.

I would like to take this opportunity to thank everyone who donated toys and equipment to the Stay and Play.

Miss Akers - Acting Pastoral Manager

As part of Mental Health Awareness Week, we would like to take this time to introduce the school's Mental Health First Aiders.

Miss Akers, Mrs Nizamis and Mrs Ali are all available to support, listen and signpost mental ill health episodes.

If you need support regarding mental health, please come into school where support and a kind ear is always available.
