Learning for Life, Anchored in Christ

Welcome back everyone,

I hope everyone had a great summer. It was so lovely to see all the children and their families back at school this week. Everyone looked so smart and eager to learn. We have had a good week, spending lots of time thinking about being ourselves and about our personal aims and goals as well as building relationships with friends, new classmates and new teachers.

I would like to say a special welcome to our new Reception children and their families. It is great to see new additions to our St Clement's family.

Next week we are holding our meet the teacher evening, where you can meet and chat with your child's teacher and find out about the expectations of their new year group. A letter should have come out this week. If you have not seen it, speak to your child's teacher.

I can't wait to see all the wonderful things our pupils achieve this year and all the fun they will have in their journey to success.

Have a great weekend

Miss Shryane

Safeguarding

At St. Clement's C.of.E Academy we have an excellent Pastoral Team, coupled with a nurturing school ethos and Christian values, that ensure all our families receive a high level of support, guidance and comfort when needed.

When working with families and children we sometimes need to seek advice from other services to ensure we are providing the right support. We understand that working together and using other agencies can make a massive difference to the impact and outcome for the families we support. If you need to talk to someone regarding any issues (Housing, Mental Health, Well-being, Children's Health, Domestic Abuse, Safety etc) or just want a sit down and a chat then please see Miss Akers -Pastoral Manager.
