- Find Out Who's Won Next Week -

Values Points

As it is the end of term, next week we will be finding out which values/house team has collected the most points.

Every child is in one of 4 values team and throughout the week they are awarded values points for demonstrating our school Christian values.

At the end of each week, these points are collected from the classes and totalled up. The cumulative score is on display in the hall.

The winning team will receive a special golden time in the hall as their prize for this term.

Attendance Award

Next week we will count up which class has won the attendance award for the term.

Each week, the attendance for each class is monitored and classes reaching the target of 97% receive a certificate and have an attendance block added to the display in the hall. We will look to see which class/es have the most blocks.

The children in the winning class will choose a prize from: a VIP lunch experience, a non-uniform day or special golden time (games/extra play etc).

This Week's Attendance & Punctuality

Attendance and punctuality are very important to help assist the children with their learning. Being absent or late disrupts not only their learning but that of their classmates.

	Rec	Yr.1	Yr.2	Yr.3	Yr. 4	Yr. 5	Yr. 6
Attendance	89%	88%	93%	92%	96%	93%	92%
Punctuality	7	10	10	6	8	10	4

Reception Superstar

Last weekend, Kehlani took part in a local dance competition where she won third place and received a huge trophy.
 We would like to say a huge congratulations to Kehlani.

ASTON HALL

Last week, Year 2 visited Aston Hall as part of our history topic about monarchs of England.
 During our visit, we were given the opportunity to look around the beautiful museum and its surrounding grounds.
 The children really enjoyed exploring series of period rooms, which had furniture, paintings, textiles and metalwork from different eras of early Britain. They were also able to dress up costumes and participate in role-play whilst learning interesting new facts.

UNICEF Rights of the Child

Article 9: Keeping Families Together
 Children should not be separated from their parents unless they are not being properly looked after – for example, if a parent hurts or does not take care of a child. Children whose parents don't live together should stay in contact with both parents unless this might harm the child.

Article 11: Protection from Kidnapping
 Governments must stop children being taken out of the country when this is against the law – for example, being kidnapped by someone or held abroad by a parent when the other parent does not agree.
