Learning for Life, Anchored in Christ

Hi Everyone,

Those of you who don't know me, my name is Mrs Akhtar and I am a Teaching Assistant in year 2. I have worked at St Clements's for many years now and I am still amazed by the beautiful smiles that greet me in the mornings.

In Year 2 we have been learning about pirates and we have been exploring our topic question 'why boats float?' The children are enjoying this topic and it is lovely to see them enthusiastic and excited in the mornings when they come in.

Please can you do all that you can to make sure children are in school every day and hearing them read a little every evening. We are always willing to provide support and suggestions as to what you can do at home to support your child's learning.

We are halfway through November and the weather is getting colder and at times wet. Can you please make sure children have warm clothing to wear outside during lunchtimes and playtimes. Please also make sure to write their names inside clothing to stop them from going into lost property.

Wrap up warm and have a lovely weekend.

Mrs Akhtar Teaching Assistant

Potential Snow Day Closure

In the event of adverse weather conditions, e.g. snow, we will notify parents of school closure in the following ways:

- * Message on the website homepage
- * Twitter and Instagram Posts
- * Text message to parents.

Please note:

Text messages will only work if the office has up to date information for you. If in doubt, please double check with the office.

Sün BOOKS FOR SCHOOLS

The Sun Books for Schools Tokens STARTS TOMORROW

We need your help collecting tokens from this upcoming campaign.

The tokens will be printed in The Sun and The Sun on Sunday between

Sat. 23rd Nov 2019 & Sat. 18th Jan 2020.

HOPE THAT IT WILL GET BETTER & STRENGTH TO HOLD ON UNTIL IT DOES.

Head Teacher: Miss Shryane
Assistant Head Teacher: Mrs. Nizamis
Assistant Head Teacher: Mrs. Fox

Nits... We currently have an outbreak of head lice in school. Please can you make sure to check your child's and family members and treat them if necessary.

Book your Christmas Lunch now! For more information see attached.

Year 6 meet an Olympian and her huskies!

On Tuesday, Year 6 visited 'Arctic Quest' in Gloucester as part of their Frozen Kingdom topic.

The children met with an Olympic sled champion who races huskies all over the world. We were able to meet the husky dogs and discover why these dogs are most suited to Arctic conditions.

Did you know huskies can survive when the weather is -50°^C?

The children were able to handle the dogs and some even overcame their fears and got close to the dogs.

A great day out.

Safeguarding Road Safety THINK!

At school we teach your child about road safety, but as a parent or carer you also play a big part in helping your child to learn how to stay safe. Children will copy adults' behaviour, so if they see you taking risks they will probably take risks too.

One of the best ways that you can help your child to stay safe is to set a good example when using roads, on foot, cycling and in the car. Also remember - Be Bright Be Seen! Wearing light clothing on these dark nights will help you to be seen by others.

THINK EDUCATION

Attention Year 6 Parents

As part of our school policy only children in year 6 are allowed to walk home by themselves. We must receive written permission for this. If your year 6 child attends an afterschool club, you will also need to speak to the office about walking home.

Please remember, it is getting darker earlier and your child may be walking home in the dark. We will be giving reflective arm bands to those children who walk home and we would expect to see them wearing them to walk home.
