Learning for Life, Anchored in Christ

At St. Clement's C of E Academy safeguarding the children, both physically and emotionally, is at the heart of all we do. We would like to take this opportunity to give a 'Shout Out' to the people who help keep us safe on the roads. Mr Burton, for monitoring the roads in the morning and ensuring parents park safe and sensibly outside the academy. Also to Val our Lollipop Lady who ensures children and families are kept safe when travelling to the academy.

PLEASE REMEMBER! - Do Not park on the yellow lines outside the academy!

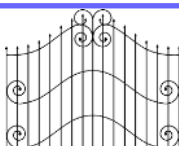

Below are some safety tips for road and driving safety.

- Children under 12 years of age and less than 135cm tall must use a child seat. It should be a seat manufactured and designed appropriately for their size.
- Seat belts should be worn by all people travelling.
- Do not use mobile phones when driving
- Walk across the road (do not run) when it is safe.
- Do not cross the road until there is a safe gap and you have enough time to reach the other side of the road.
- Use your eyes and ears to look and listen for traffic.
- Take time to look around in both directions.
- Always use any available zebra, pelican or traffic light crossing.
- Always get out of the vehicle using the door which is nearest to the pavement side of the car.

School gates

Could we please ask that you **do not** attempt to **push** the school gates open. They are automatic and when pushed often get stuck. This has led to many issues with the gates which cost money to fix. We apologize if you sometimes have to wait but we are trying to get the issues sorted

Hello everyone,

for families new to our Academy, welcome! I am Mrs Nizamis, Assistant Head with responsibility for Early Years and Key Stage 1, please say hello if you see me around school.

Well we have come to the end of another busy week at St Clement's, the children are all really well settled in to their new Year groups and looking forward to all of the new challenges ahead. All of the children have been working hard creating art work and writing for our school displays, and the Academy is looking superb!

We hoped you enjoyed meeting your child/children's new class teacher and found the information provided useful and informative. Please do not hesitate to ask if you'd like further information, many of our policies, such as homework policy, are available on our website if you'd like to know more.

I wish everyone a happy and restful weekend and would like to leave you with a final thought about our value this half term which is Dignity:

Dignity will manifest itself, in the warmth of your smile, the depth of your love, and kindness shown towards others.

'The Big Clean Up'

On Friday 20th September St. Clement's Academy will be working with Free @ Last and local businesses cleaning the streets of Nechells. Children and staff will spend an hour litter picking parts of Nechells as part of National 'Clean Up Day'. If you would like to be apart of this or want more information please see Miss Akers or visit Free @ Last.

Head Teacher: Miss Shryane
Assistant Head Teacher: Mrs. Nizamis
Assistant Head Teacher: Mrs. Fox

Window Design Competition

We are holding a competition for the children and their families to design an image that will be made into a giant window transfer for the front door of school.

The image must be in colour and represent our Christian ethos, our school family and/or our community.

Some ideas to get you
