Don't forget: School Closed Friday 8th April - Term ends THURSDAY 7th APRIL

Hi everyone, my name is Mr Johnson.

I have been at this school since the beginning of February, and have thoroughly enjoyed my stay here, thus far. I am currently doing a PGCE course, and have been made to feel very welcomed by the staff members here at St. Clement's school.

This week in school, we had science week. During the week, in year 1 we merged our English lessons with our science lessons. The week has been filled with lots of fun learning about a plant's life cycle and experiments.,

I hope you all have a great weekend, only 1 week to go before Easter. Don't forget school finishes on Thursday 7th April for children as the teachers have a training on Friday 8th.

The National Bullying Helpline

0300 323 0169 or 0845 22 55 787

This helpline was founded in 2003 and was the very first UK helpline which provided assistance to individuals struggling with bullying issues, whatever the nature of the abuse. Today, the helpline is unique in that it is the only helpline of its kind, established by qualified employment law professionals, providing operational, timely, support to both adults and children - whether the bullying is in the home, the community, the playground, the workplace or on-line (ie: Cyberbullying). Between 2007 and 2011 the helpline was launched as The National Bullying Helpline and became a registered Charity. In 2012 the National Bullying Helpline became a Voluntary Organisation and ceased to operate as a charity.

The website offers a range of support and guides to help both adult and children.
