There will be no Afterschool Clubs on MONDAY 9TH OCTOBER

Hello,

My name is Miss Hughes and I am the year 4 teacher. We've had a wonderful start to the school year and the first 5 weeks have flown by.

Last week, I was lucky enough to take four children from year 4 to King Edward's School for Boys in Edgbaston to take part in a maths competition.

They spent the afternoon answering challenging maths problems. Their hard work paid off when they won 2nd place, winning a shiny silver medal. I was extremely proud of their hard work!

Book Week

On Monday the whole school will be celebrating Book Week and each class will be reading a variety of non-fiction books. I can't wait to find out what each class will be learning.

I hope you all have a great weekend!

Miss Hughes,
Year 4 Teacher/Maths Lead

Medical appointments...

Could we please remind parents to book any medical appointments outside of school hours. Taking children out during the day or arriving late is disruptive to them, and other children in their class.

Unattended Children!

Can parents please be aware that children must not be left unattended in the mornings in any of the school/playgrounds. It is a safety issue and parent must remain responsible until the children are let in to school, once the bell rings at 8:45am. Do not leave them unattended at any other time. There was an incident earlier this week where the fire alarm went off and parents had left children at the EYFS side of the school unattended.

We cannot have this happen again.

If you need to drop them off earlier please make use of Breakfast Club (£1 per child, per day) open from 8 am every morning.

Year 4 create poetry inspired by Diwali.

On Monday morning, Year 4 were lucky enough to take part in an exciting performance poetry workshop led by Amerah Saleh. We worked together to think of as many words to celebrate the theme of light around the time of Diwali.

We used our word web to inspire rhyme within our poems, such as, light, bright and unite. We followed a pattern of 'ABCB' to help us write our poems all about the colourful lights during Diwali.

If was a fantastic morning and it has inspired us to work on our performance to help engage the audience.

We will be performing at Birmingham Town Hall on Thursday 19th October, so we need to keep working on our performance.
