Serving the local community in the name of Christ since 1859

14th July 2017

Hello everyone!

Firstly, thank you to everyone who made last Friday's community day such a success. It was great to see so many parents and children coming to chat with their teachers and take pride in sharing their work. It was especially rewarding to see the smiles (and some tears of joy!) from the year 2 and 6 children when they found out their SAT's results. Well done everyone!

Well, as we enter the last week of term there is still a lot going on at school so please take a careful read of the newsletter this week so that you can join us for the special events that are going on. If you are in doubt about anything please call reception or speak to a member of staff who will be happy to assist you.

Hope you all have a good weekend and see you next week.

Miss Shryane

Goodbye & Good Luck

We will be losing some members of staff at the end of this year and we would like to take this opportunity to wish them all the very best for the future.

I expect that all of you will have met Ranjeet during her time here over the past 5 years and I hope that you can spare some time to come into the office and say goodbye to her during her last week with us.

Ranjeet is a shining example of our Christian values and has been a very popular member of the team with Staff, Pupils and Parents during her time here. Ranjeet has been a key member of office staff during recent changes and improvements to office processes and she will be sorely missed.

We wish Ranjeet and her family all the best for the future.

Mrs Webster has been with us for 2 years and has worked Year 1, Year 6 and most recently Year 5. She has been a great addition to the teaching staff and we wish her all the best at her new school.

Miss Yeung has supported children across the school since she joined us earlier this year. She has been a great asset to the school and I know the children will miss her as she moves on in her career.

From the staff and children of St Clement's we wish you all the very best in your new ventures and good luck.

We would like to invite you, members of your family and friends, to join us at our end of term Awards Assembly where awards will be given out to this terms Shining Stars, pupils with 100% attendance and we will find out which house has won the House Cup.

On Tuesday, Key Stage 2 had lots of fun learning about and playing music and instruments from the time of William Shakespeare.

Thank you to Andy for all his talent and knowledge he shared with us all.

Tuesday 18th July is going to be a Non Uniform day with a difference.

We are asking for donations of chocolate instead of money.

Please make sure all donations are nut free and vegetarian friendly.

Safeguarding - Snapchat Maps

Last week Snapchat, used regularly by many children and young people, launched a new feature, SnapMaps, which allows users to see the location of their contacts. This feature allows others to accurately pinpoint where you are.

Sharing location can be a risky thing to do. ChildNet have posted a thorough explanation of SnapMaps and how to ensure users stay safe.

ChildNet's tips for location sharing are:

- Only share your location with people you know in person. Never share your location with strangers.
- Don't add contacts to Snapchat if you don't know them in person.
- Regularly review your settings and take an active decision about whether you want people to know your location.
- Remember you can switch this off at any time.

Think about where you're sharing your location.

Location services such as Snap Maps can lead people to your house. Think about what times you're on the app and whether these are locations you want to share – if not, then turn this off within your settings.

There are three possible privacy settings:

- 1) Ghost mode, where only you can see your position;
- 2) My Friends mode, where any contact can see your location; and
- 3) Select Friends mode, just those who you choose can see you.
