Emerade Device Recall – due to potential device failure (alternatives available)

* Please contact your doctor or pharmacist (via telephone) now to get replacements for you or your child's Emerade 500 micrograms or Emerade 300 micrograms auto-injector(s) – also referred to as Emerade pen(s).

* The MHRA, in conjunction with the Department of Health & Social Care (DHSC), has established that there are sufficient supplies of alternative auto-injectors to allow for a recall at patient level.

* Once you have two replacement pens in a different brand (EpiPen or Jext), return your Emerade 500 micrograms or Emerade 300 micrograms pen(s) to a pharmacy, even if they are still in date.

* When you collect your new device make sure you receive training on how to use it. It is vital that you receive training to ensure you are completely familiar with how the new device works. This is because each brand of adrenaline auto-injector works has a different action.

* Patients should continue to carry two devices at all times. Advice for patients who have been prescribed an Emerade 500 micrograms or Emerade 300 micrograms auto-injector.

Our values focus this half term is **Humility**

Hello Everyone,

My name is Ms Yehia and I have been supporting and co-teaching in Year 2 since April and I will continue until the end of year, God willing. It has been a pleasure being at St Clements thus far.

I hope you all had a lovely, restful holiday last week, it's so lovely to see you all back and ready for the last half term of the year before the summer holidays. How exciting!

This week, Year 2 have been writing about dragons. They went on a dragon hunt around the school, and would you believe it? They found dragons hiding in the playground! They have been using positional language in their writing to describe where to find dragons in our school! We know they are mythical creatures but that hasn't stopped Year 2 from using their brilliant imaginations to write great descriptive pieces. They have done a fantastic job so far, keep it up Year 2!

Additionally, pupils in Year 2 will be exploring colour schemes and drawing techniques in art to create dragon eye artwork. We look forward to the final masterpieces which I'm sure will be fantastic! I look forward to finishing off the year with Year 2 and all the exciting things happening this half term!

Wishing you all a wonderful weekend! ☺

Multiplication Tables Check (MTC) - Next Week

Next week, year 4 will complete their multiplication tables check. They will be using Ipads to solve 25 times tables questions. They will have 6 seconds to answer each of the questions. This is a statutory test so all children must be in school.

As homework...
I would like Year 4 to practice their times tables on TTRS (Soundcheck).

New Online Ordering System for Lunches COMING SOON

Dear Parents and Carers,

We hope to be using a new online system to pay for lunches very soon. First we need you all to sign up and register as soon as possible so that we can launch the new system. You need to sign up and register, even if your child receives Free School Meals (FSM).

The new system will allow you to order meals for your child, top up their lunch account and hear about any fun special events that are planned, such as the Healthy Eating Week menu next week.

Sent out with todays newsletter is an information leaflet detailing how to register and order. Please take a look and sign up soon, so you can get a feel for the system before it goes live.

Please Note: if you have already started using the app/platform and added money, this money DOES NOT count towards lunches, until the system goes live. So please continue to pay at the office, until further notice.

NEW PE Times and daily Yoga...

Please take note of when your child has PE and make sure that they have the correct kit.

Children this half term will have just 1 PE session (except Y1) and to replace the other, will have daily yoga sessions in class. Children will not need PE kits for yoga.

UNICEF Rights of the Child

Article 12: Respect for children's views
Children have the right to give their opinions freely on issues that affect them. Adults should listen and take children seriously.

Article 15: Setting up or joining groups
Children can join or set up groups or organisations, and they can meet with others, as long as this does not harm other people.

Dear Resident,

I wanted to introduce myself as the new Police Sergeant for the Nechells area. I have always believed it is important that the Police make every effort to communicate with the members of the community they Police, and my time here will be no different. Naturally, I am unable to speak with you all (as much as I would like to) but I hope this letter goes some way in demonstrating my desire for me and my team to provide the best possible service for you.

Although I am new to the area on patrol I have already met some wonderful and public-spirited members of the community. But I know as you read this letter the necessary tasks involved in daily life are calling but I also know we all want a safe and prosperous place to live and work.

It is with this in mind, I have one ask of you...

West Midlands Police have a scheme called WMNOW. In short, WMNOW is a free messaging service that allows me, as your local Neighbourhood Policing Sergeant, to communicate with you more regularly. This may include messaging about the crime trends in certain parts of Nechells or updates on police activity. The great thing with this service is, as a member, you are able to respond to these messages with information or just to speak with us about any concerns you may have.

The more people we are able to encourage to use this service the better! So please share and use the QR code below to sign up.

Kindest Regards,

Police Sergeant Walters.
